It is the practice of AIA Southern New York State (AIASNY), and its members to comply strictly with all laws, including federal and state antitrust laws, that apply to AIASNY operations and activities. Compliance with the letter and spirit of the antitrust laws is an important goal of AIASNY and is essential to maintaining the organization's reputation for the highest standards of ethical conduct.

The American Institute of Architects, as part of the global community, champions a culture of equity, diversity, and inclusion within the profession of architecture to create a better environment for all. Achieving this vision has a direct impact on the relevance of our profession and the world's prosperity, health, and future.
